

EA-0062 Index

1. Executive Summary
2. Scope
3. Engineering Objectives
4. Product Principle Alignment
5. High-Level Architecture
6. System Components
7. Mission Control Dashboard
8. Engineering Archive Browser
9. Implementation Status Model
10. Dependency Graph
11. Codex Integration
12. Claude Code Integration
13. Cursor and GitHub Copilot Integration
14. GitHub Integration
15. CI/CD Integration
16. Role-Based Access Control
17. Data Model
18. API Specification
19. UI Specification
20. Security Architecture
21. Observability
22. Testing Strategy
23. Acceptance Criteria
24. Requirements Matrix
25. Traceability Matrix
26. Engineering Journal
27. Implementation Roadmap
28. Final Review
